

You are invited to the

12th Annual
EPA Region 6
MS4 Operators Conference
June 21-25, 2010

In Partnership with
U.S. Environmental Protection
Agency and the States and Tribes of Region 6

Hosted by

City of Santa Fe

South Central Chapter International Erosion Control Association

The Santa Fe Community Convention Center
201 West Marcy Street
Santa Fe, New Mexico 87501

You are invited to join us in Santa Fe, New Mexico, June 21 - 25, 2010, at the 12th Annual EPA Region 6 MS4 Operators Conference. The conference will be held at the Santa Fe Community Convention Center, located in the heart of Santa Fe's historic downtown, within walking distance to all of the conference hotels, the world's finest resorts, restaurants, museums and shopping. It is the ideal venue for "Green" meetings and events as it was just awarded a LEED (Leadership in Energy and Environmental Design) Gold Certification, confirming Santa Fe's commitment to environmental responsibility and the merit of the center's design, construction, and operation.

This conference is recommended for storm water managers and staff of Phase I and Phase II municipalities, federal facilities, regulatory officials and environmental professionals, and provides an opportunity to share success stories; discuss challenges and meet new partners working with municipal storm water programs. Space is limited and priority will be given to Region 6 MS4 operators.

Early Registration

\$275.00 (before May 7, 2010)

Monday – Friday (includes meals, Field Trips & Awards Banquet)

One (1) Day Registration - \$175.00

Late Registration

\$325.00 (after May 7, 2010)

Monday – Friday (includes meals, Field Trips & Awards Banquet)

If cancellation is necessary, the registration fee can be transferred to an alternate. Please see registration application for more information.
