

Vendor Night Fun!
Game Competition: “Minute to Win It”

This year along with the usual food and beverage provision, we are going to add some fun competition on Vendor Night. Each vendor will select from the attendees, a two-person team to compete against other vendors’ teams. Don’t worry if you’re having trouble selecting a team, we’ll help you out! We’ll have fun, competitive games like you see on the “**Minute To Win It**” television show.

All vendors must participate on Vendor night and prizes from vendors are mandatory.

Each vendor will be asked to furnish a prize (one for each team member), together with a hat for each team member with your logo on it. Remember to make it stand out because your team is representing you!

There is no minimum or maximum amount for the prize that you award. Each team will be competing for the best prize, so when a team wins a game, they have the option to switch their vendor prize with the team they just defeated, or they can keep their vendor prize. Prizes will keep switching hands until the end of the competition, which will be set up tournament style. We know you want your prize to be the one that everyone wants! If team members are competing for a kazoo or a trip to Hawaii, which prize is going to get the most attention?

Once a vendor has chosen their two-member team, the names of team members for your company must be turned in to us at the last break on Tuesday afternoon, June 26. Team members themselves will choose which game they wish to participate in, so if one of your team members can’t stack ding-dong’s on their forehead, your remaining team member can give it a shot and strut their stuff. The games will not be strenuous or sticky, but your team members might want to have some sensible shoes with them.

We’re hoping to videotape this year’s competition and use it next year as part of our advertising, so get ready to laugh, have a good time and participate in some fiercely friendly competition!
