Division 33. Bureau of Automotive Repair

Chapter 1. Automotive Repair Dealers and Official Stations and Adjusters

Article 1. General Provisions

➔ § 3303.2. Review of Applications for Licensure, Registration and Certification; Processing Time.

- (a) An applicant for an initial license, registration or certification shall be informed in writing within 14 days whether the application is complete and accepted for filing or is incomplete and what specific information is required.
- (b) An applicant for initial licensure as an official lamp, brake or smog check station shall be informed in writing, within 45 days after completion of the application, of the bureau's decision whether the applicant meets the requirements for licensure. Inspection of the applicant's station shall be performed during that time period. In the event that the inspection indicates a deficiency, the time period may be extended by that time necessary for correcting the deficiency.
- (c) An applicant for initial licensure as a smog check technician shall be informed in writing, within 70 days after completion of the application, of the bureau's decision whether the applicant meets the requirements to take the technician examination.
- (d) An applicant for initial licensure as an adjuster shall be informed in writing, within 70 days after completion of the application, of the bureau's decision whether the applicant meets the requirements for licensure. This period may be extended by the time necessary for rescheduling an examination if the applicant fails the examination or fails to take the examination at the time first scheduled by the bureau.
- (e) An applicant for initial registration as an automotive repair dealer shall be informed in writing, within 45 days after completion of the application, of the bureau's decision whether the applicant meets the requirements for registration.
- (f) An applicant for initial licensure as a fleet facility shall be informed in writing, within 15 days after completion of the application, of the bureau's decision whether the applicant meets the requirements for licensure.
- (g) An applicant for certification as an instructor of Smog check technicians shall be informed in writing, within 45 days after completion of the application, as to whether the applicant meets the requirements for certification.
- (h) An applicant for initial certification as an institution providing training to Smog check technicians shall be informed in writing, within 70 days after completion of the application, of the bureau's decision as to whether the applicant meets the requirements for certification. Inspection of the applicant's training facility shall be performed during that time period. In the event that the inspection indicates a deficiency, the time period may be extended by that time necessary for correcting the deficiency.

(i) An applicant applying for certification as a Gold Shield station shall be informed in writing, within 45 days after the bureau has received a completed Gold Shield Application form (GSR-1 (08/05/97)) which is incorporated by reference, of the bureau's decision that the station meets, or does not meet, the eligibility requirements, or the basis for disapproving the certification. Inspection of the applicant's station shall be performed during that time period. In the event that the inspection indicates a deficiency, the time period may be extended by that time necessary for correcting the deficiency. A representative of the bureau may make an inspection of the applicant's station. A certification may be issued only for an applicant that meets the specifications contained in Article 10, of this Chapter.

(j) "Completion of the application" as used in this section means that a completed application and required fees have been filed by the applicant and received by the bureau.

(k) The minimum, maximum and median processing times for initial licensure, or a Gold Shield (GS) station certification from the time of receipt of the initial application until the bureau made a final decision on the application, or the GS station certification were:
