**RE: Class V Experimental Permit Renewal
Terminal Island Renewable Energy (TIRE) Project
Underground Injection Control (UIC) Permit No. R9UIC-CA5-FY11-3R CA**

Dear Mr. Zaldivar,

Enclosed is a signed copy of the subject UIC permit and the Appendices. Please note that in Part I. "Authorization To Construct And Inject" on page 4 of the permit, the permit becomes effective upon this date of issuance because we received no comments during the Public Comment period.

In addition to this copy, we are sending a copy to you via email. The email message also includes a hyperlink to the EPA Region 9 website where the final permit and the Appendices can be viewed online at the website:

<http://www.epa.gov/region09/water/groundwater/uic-permits.html>

If you have any questions about the permit or any of the requirements, please call me at 415-972-3971 or contact George Robin of my staff at 415-972-3532.

Sincerely,

Signed by Michele Dermer acting for
