TELEPHONE CALL MEETING CONFERENCE CALL OTHER

INFORMATION COPIES TO:

TO: B. Johnson, Region IV

FROM: D. Wilson

DATE: 11/15/99

TIME:

SUBJ: Duke Power Cliffside

SUMMARY OF COMMUNICATION:

1. Relayed the conversation between the C/H and Dennis Atkinson. Told Region IV it

was up to them if they wanted to require use of the HUSWO data.

2. Region IV indicated that NC/Duke had a counterproposal to adding in background

for all hours of the year. Instead they wanted to just look at the high 50.

C/H Comment: This is probably pretty safe but it is arbitrary. There is no technical justification for looking at the 50 high. Final decision left up to

Regional judgment
