

# 2007 STORET/WQX Users Conference

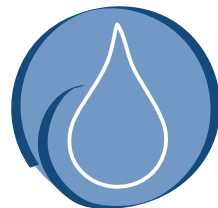

## Save the Date! November 27–29, 2007

**Welcome!** You are invited to attend the 2007 STORET/WQX Users Conference in Austin, TX, on November 27–29.

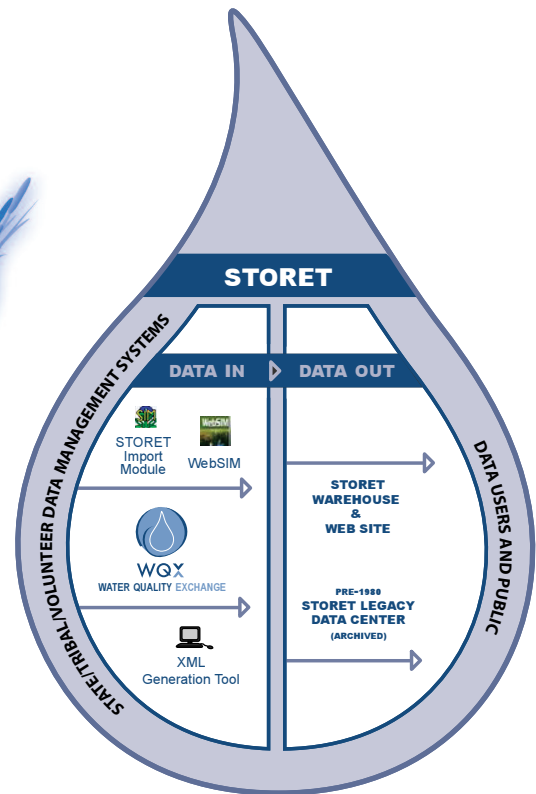

This event will

- Share information about STORET and applications that use it.
- Explore Water Quality Exchange (WQX) by discussing new ideas and practical experiences.
- Help users transition from STORET to WQX.

**Who should attend?** Environmental professionals from state, Tribal, and other interested groups.

**WQX**  
WATER QUALITY EXCHANGE

For more information, please visit the conference Web site at: <http://www.epa.gov/storet>.
