Updated 6/1/05 – Final Edition

I have taken a rotational position and won't be working on MACT Implementation so this is my last update.

Thank you for your interest in our implementation efforts throughout the years and for the support that you provided in making our implementation efforts such a success.

If you need assistance in the future, please contact Karen Blanchard of OAQPS at 919-541-5503, blanchard.karen@epa.gov.
