as Amended April 5, 2002

<u>Subject</u>	<u>Section(s)</u>
1 year	
Common schedule for periodic reports in case of source(s) subject to more than one standard . . . . .	63.10(a)(6), 63.10(a)(7)
Compliance extension request for installation of controls . . . . .	63.6(i)(4)(i)(A)
Reducing frequency of excess emissions and continuous monitoring system (CMS) performance reports . . . . .	63.10(e)(3)(ii)(A)
2 days	
Startup, shutdown, and malfunction reports, immediate . . . . .	63.10(d)(5)(ii)
2 years	
Compliance extension for section 112(f) standard . . . . .	63.6(i)(4)(ii)
Files retained onsite . . . . .	63.10(b)(1)
3 years	
Files retained offsite . . . . .	63.10(b)(1)
Mining waste operations, maximum additional compliance extension . . . . .	63.6(i)(4)(i)(A)
Performance test date if source is complying with standard proposed . . . . .	63.7(a)(2)(ix)
5 years	
Applicability determination, recordkeeping requirement for . . . . .	63.10(b)(3)
Compliance extension for BACT or LAER installation . . . . .	63.6(i)(5)
Files retained . . . . .	63.10(b)(1)
Retaining records and results of performance test and other data . . .	63.7(g)(3)
Retaining superseded versions of performance evaluation plan . . . .	63.8(d)(3)
6 months	
Excess emissions and continuous monitoring system (CMS) performance report and summary report . . . . .	63.10(e)(3)(i)
7 days	
Startup, shutdown, and malfunction reports, immediate . . . . .	63.10(d)(5)(ii)
10 days	
Notification if exceeding criterion for permission to use alternative for relative accuracy testing for continuous emission monitoring system (CEMS) . . . . .	63.8(f)(6)(iii), 63.9(g)(3)
15 days	
Adjustment to time periods or postmark deadlines for notifications . . . . .	63.9(i)(3)
Change in information already provided in a notification . . . . .	63.9(j)
Compliance extension request and notification by Administrator . . .	63.6(i)(12)

<u>Subject</u>	<u>Section(s)</u>
Notification of date of startup .....	63.9(b)(4)(v)
Results of continuous opacity monitoring system (COMS) performance evaluation .....	63.8(e)(5)(ii), 63.10(e)(2)(ii)
18 months	
Compliance extension request for sources including emission points in an emissions average .....	63.6(i)(4)(i)(B)
30 days	
Approval of request to use alternative monitoring procedure .....	63.8(f)(5)(i)
Compliance extension request and notification by Administrator ...	63.6(i)(12)
Opacity or visible emission observations .....	63.6(h)(5)(i)(B), 63.9(h)(2)(ii), 63.10(d)(3)
Requesting performance audit materials	
Site-specific test plan .....	63.7(c)(3)
Startup, shutdown, and malfunction reports, periodic .....	63.10(d)(5)(i)
45 days	
Alternative test method .....	63.7(c)(3), 63.7(f)(3)
Reducing frequency of excess emissions and continuous monitoring system (CMS) performance reports .....	63.10(e)(3)(iii)
60 days	
Alternative monitoring method or procedure .....	63.8(f)(4)(i)
Alternative test method .....	63.7(c)(3), 63.7(f)(3)
Application for waiver of performance test .....	63.7(h)(3)
Opacity or visible emission observations and maximum production rate .....	63.6(h)(5)(i)(A)
Notification of compliance status .....	63.9(h)(2)(ii)
Notification of intent to use alternative test method .....	63.7(f)
Notification of performance evaluation of CMS .....	63.8(e)(2), 63.9(g)(1)
Notification of performance test .....	63.7(b)(1), 63.9(e)
Reporting performance evaluation results .....	63.8(e)(5)
Reporting performance test results .....	63.7(g)(1), 63.10(d)(2)
Site-specific performance evaluation test plan .....	63.8(e)(3)(iii)

<u>Subject</u>	<u>Section(s)</u>
Site-specific test plan .....	63.7(c)(2), 63.7(c)(3)
90 days	
Compliance extension request for section 112(f) .....	63.6(i)(4)(ii)
120 days	
Compliance extension request .....	63.6(i)(4)(i)(B)
Compliance extension request for BACT or LAER installation .....	63.6(i)(5)
Initial notification for existing source .....	63.9(b)(2)
Opacity or visible emission observations .....	63.6(h)(5)(i)(A)
180 days	
Performance evaluation if performance test is waived or is not required .....	63.8(e)(4)
Performance testing and compliance date .....	63.7(a)(2)
Performance testing when promulgated emission standard is more stringent than the standard proposed .....	63.7(a)(2)(ix)
Abbreviations .....	63.3
Act, definition of .....	63.2
Action during startup, shutdown, or malfunction	
Consistent with procedures in plan .....	63.6(i)(3)(iv)
Not consistent with procedures in plan .....	63.6(e)(3)(iii)
Actual emissions, definition of .....	63.2
Addresses of State Air Pollution Control Agencies and EPA Regional Offices .....	63.13
Administrator, definition of .....	63.2
Affected source, definition of .....	63.2
Alternative emission limitation, definition of .....	63.2
Alternative emission standard, definition of .....	63.2
Alternative monitoring method or procedure .....	63.8(e)(3)(v), 63.8(f)
Application .....	63.8(f)(4)
Minor changes to monitoring procedures .....	63.8(f)(4)(iv)
Alternative test method .....	63.7(f)
Definition of .....	63.2
Validating with Method 301 or specific procedures of Method 301 .....	63.7(f)(2)(ii)
Applicability .....	63.1
Applicability determination, recordkeeping requirement for .....	63.10(b)(3)
Approved permit program, definition of .....	63.2
