SUBJECT: Summary of Group I VOC RACT Regulations

FROM: Tom Williams
Technical Guidance Section, CPOB (MD-15)

TO: VOC Contact, Regions I-X

Attached are ten copies of the GCA report that summarizes the VOC Group I RACT limits for all the States. The geographic coverage of the regulation, ozone attainment date, latest Federal Register action date, and the EPA action taken on each of the 15 Group I source categories are also included in this report.

Please send copies of this report to each of your States. Any corrections should be sent to me for inclusion in a final report that will be issued at such time that all EPA actions have been completed.
