

# 10<sup>th</sup> Conference on Air Quality Modeling

EPA RTP, NC Campus – March 13-15, 2012

# 10<sup>th</sup> Conference on Air Quality Modeling

- Thursday Public Presentation Session Logistics
  - Remember, the Conference is a Public Hearing
    - All presentations are officially part of the record and will be submitted to the Conference Docket.
    - All dialog is being transcribed and also will be submitted to the Docket.
    - Everyone speaking today, must identify themselves.
  - Thursday's Schedule is Jam Packed!
    - There are 32 requested public presentations which only allowed for an average allocation of 10 minutes per presentation.
    - Speakers, please be respectful of the very tight time schedule.
    - There will not be any Q&A during any of the presentations.
    - After all of the requested public presentations, there will be time for members of the audience to provide additional verbal comment.
    - In addition to any verbal comments made today, written comments can be submitted to the Docket through April 30, 2012.
