

# 11<sup>th</sup> Conference on Air Quality Modeling

## Public Hearing Public Presentations

EPA RTP, NC Campus – August 12-13, 2015

# 11<sup>th</sup> Conference on Air Quality Modeling

- Wednesday Public Presentation Session Logistics
  - The Conference is a Public Hearing for a proposed rulemaking.
    - All presentations are officially part of the record and will be submitted to the proposed rulemaking Docket (ID No. [EPA-HQ-OAR-2015-0310](#)).
    - Everyone speaking today must identify themselves and their affiliation.
    - All dialog is being transcribed and will also be submitted to the Docket.
    - There will not be any Q&A during or following any presentation.
    - Anyone not requesting a reserved spot to present will have an opportunity on Thursday to provide oral comments.
    - Comments can be submitted to the Docket through October 27, 2015.
  - Wednesday afternoon's schedule is very full!
    - There are 15 requested public presentations this afternoon.
    - All presentation spots are 15 minutes in length.
    - Speakers, please be respectful of the set time schedule.
