

11th Conference on Air Quality Modeling

Public Hearing Public Presentations

EPA RTP, NC Campus – August 12-13, 2015

11th Conference on Air Quality Modeling

- Thursday Public Presentation Session Logistics
 - The Conference is a Public Hearing for a proposed rulemaking.
 - All presentations are officially part of the record and will be submitted to the proposed rulemaking Docket (ID No. [EPA-HQ-OAR-2015-0310](#)).
 - Everyone speaking today must identify themselves and their affiliation.
 - All dialog is being transcribed and will also be submitted to the Docket.
 - There will not be any Q&A during or following any presentation.
 - Anyone not requesting a reserved spot to present will have an opportunity later today to provide oral comments.
 - Comments can be submitted to the Docket through October 27, 2015.
 - Thursday morning's schedule is brisk!
 - There are 10 requested public presentations this afternoon.
 - All presentation spots are 15 minutes in length.
 - Speakers, please be respectful of the set time schedule.
