Advanced Retrievals

Providence, Rhode Island

August 22, 2012

Robert Coats

Outline

- Course objectives

- Design Value Report

- Raw Data Qualifier Report

- Questions and answers

Course Objectives

1. To explain the contents of the two most complex AQS reports:

   - Design Value Report (AMP480)

   - Data Quality Indicator Report (AMP255)

2. To provide opportunity for feedback and suggested enhancements to the reports discussed.
