Site Creation Assistance

Jonathan Miller

Why are We Here?

- Last Year's Conference
  - "We need help in creating sites because we don't do this everyday and we forget"
- What's Been Done So Far
  - Geo-Coding Enhancement
  - Assumptions on Type of Application Desired
- What Needs to Be Done
  - Gather User Requirements
  - Create Requirements Definition
  - Create a Design Document
  - Create Utility

Requirement Questions

- Where Would You Need this Utility?
  - Out in the Field
  - At Your Office
- What Types of Information Do You Need Help With?
  - LDP Fields
  - Monitor Description Fields
  - Where are the Big Stumbling Blocks in Creating the Sites & Monitors

Requirement Questions

- Would this Need to Create AQS Transactions or Just Answer Questions?

- Is this Limited to Site / Monitor Descriptions or Other Types of Data Too? What's the Priority?

- How to Use the Tool
  - Wizards (If Need a product at the End – Like Transactions)
  - Index of Information (If just Answer Q's)
