How to upload data from your PC through CDX into AQS.

By now you should have an AQS password and have accessed AQS. You will have synchronized your AQS and CDX passwords.

Go to this page:

http://www.epa.gov/ttn/airs/airsaqs/aqsweb/aqswebhome.htm

If you scroll down you will see the two boxes on the bottom, click Proceed to CDX.

This will pull up this page:

Click on Click here to Continue.

This will pull up yet another screen asking you if you really want to enter. Click on the If you already have a cdx id and password.

This leads you to the login page:

Fill in user name and password (same as AQS) and hit LOGIN
