

Draft National Air Monitoring Conference Las Vegas, NV – November 6-9

Nov 6: Training Sessions

	Training Room 1	Training Room 2	Training Room 3
8:00-10:00	Network Assessments	Air Monitoring Instrumentation-- Continuous PM monitors	Air Monitoring Instrumentation-- Precursor/Trace Gas/calibration systems
10:00-10:20	Break		
10:20-12:00	Network Assessments (continued)	Air Monitoring Instrumentation-- Continuous PM monitors (cont.)	Air Monitoring Instrumentation-- Precursor/Trace Gas/calibration systems (cont'd)
12:00-1:30	Lunch - on your own		
1:30-3:00	Data Validation & Analysis	Air Monitoring Instrumentation-- Aethalometers/black carbon monitors	Air Monitoring Instrumentation-- Precursor/Trace Gas/calibration systems (cont'd)
3:00-3:20	Break		
3:20-5:30	Data Validation & Analysis (continued)	Air Monitoring Instrumentation-- Aethalometers/black carbon monitors	Air Monitoring Instrumentation-- Precursor/Trace Gas/calibration systems (cont'd)

Nov 7: Plenary Session

8:00-8:15	Welcome and opening remarks/conference overview
8:15-8:30	STAPPA/ALAPCO comments
8:30-8:45	EPA comments
8:45-10:15	Air Monitoring Regulations - what they mean for state and local agencies
10:15-10:30	Break (refreshments in the vendor exhibit area)

11:30-1:00	Lunch - on your own
1:00-2:00	PM Coarse - Current network design, proposed technologies and any performance testing
2:00-3:00	Other monitoring programs: IMPROVE, CASTnet, NADP
3:00-3:15	Break (refreshments in the vendor exhibit area)
3:15-4:15	PM Studies
4:15-5:15	Ozone Studies
5:15-5:30	Wrap-up and Adjourn
6:00-8:00	Poster Session: (vendor-hosted finger-foods in the exhibit area)

Nov 8: Break out Sessions

	Track 1	Track 2	Track 3
7:00-8:00	Optional: Bring your breakfast and explore new tools		
8:00-10:00	Data acquisition-I	Air Toxics-I	Tribal monitoring
10:00-10:15	Break (refreshments in the vendor exhibit area)		
10:15-12:00	Data acquisition-II	Air Toxics-II	Supersite information
12:00-1:15	Lunch - on your own		
1:15-3:15	New monitoring technologies-I	Air Toxics-III	Quality assurance-I
3:15-3:30	Break (refreshments in the vendor exhibit area)		
		Web access and Data	
3:30-5:30	New monitoring technologies-II	Reporting	Quality assurance-II

Nov 9: Plenary Session

8:30-9:15	CASAC's role in air monitoring advice
9:15-10:45	Panel: Future Directions of Air Monitoring: Where do we go from here?
10:45-11:00	Wrap-up and final comments
11:00	Adjourn
