

SAVE THE DATE

National Ambient Air Monitoring Conference

Hyatt Regency St. Louis at the Arch

St. Louis, Missouri

August 8-11, 2016

EPA in conjunction with the National Association of Clean Air Agencies (NACAA) is pleased to announce the National Ambient Air Monitoring Conference.

GET ESSENTIAL TRAINING ON AIR MONITORING TOPICS!

Whether your previous air monitoring experience spans months, years, or decades, this conference will provide you with the skills and information to help prepare for the future challenges of air monitoring.

WHO SHOULD ATTEND?

State, local, Tribal and international air quality staff involved with operating, planning, or managing air monitoring networks and reporting data to AQS, AIRNOW, and other users. We also encourage other stakeholders including health researchers, dispersion modelers, data analysts, and air quality policy staff to attend to gain additional perspectives on how air monitoring data are collected and utilized.

EXHIBIT AND SPONSORSHIP OPPORTUNITIES

Promote your business or organization to the people leading the nation's ambient

air monitoring programs by exhibiting and/or sponsoring. Exhibits are an integral portion of the conference and spaces will be assigned on a first-come, first-served basis. Sponsorship opportunities exist for hosting a breakfast; afternoon break; a coffee/tea service and/or the evening reception. For more information on exhibit and sponsorship opportunities, contact [Erin Pittorino](#) at ERG.

HOTEL RESERVATION INFORMATION

This year's conference is being held at the [Hyatt Regency St. Louis at the Arch](#), located downtown in the heart of St. Louis, MO. You are responsible for making your hotel reservations. The hotel conference rate is \$125 a night for a single or double room, plus applicable taxes (currently 16.292% per room per night). All reservations must be made by July 7, 2016.

After this date, reservations are subject to space and rate availability. To make your reservation, please [click here](#). You may also call the hotel directly and reference the EPA NAAMC.

PASS THIS NOTICE ON!

Help us spread the news about the conference by forwarding this email to colleagues who may be interested in attending.

NEED MORE INFORMATION?

If you have suggestions for training or agenda topics or would like more information about the conference, please contact [Laurie Trinca](#) at EPA.

Additional details regarding conference topics, the call for papers and posters, and the online registration process will be available on [EPA's website](#) in the coming months.

Contact ERG, EPA's contractor for more information regarding conference registration and logistics at 781-674-7260 or erin.pittorino@erg.com, subject line: National Ambient Air Monitoring Conference.
