### Online Training

To begin an online course, please search for your name using the student search below. Click the appropriate "Login" button from the resulting list and enter your PIN. If you have not yet created an account, please register as a new student by clicking the "Register as new Student" link.

Search (no results) [Register as new Student](#)

Name:

There are 18 Students at Aacme Small Cars. Please search for your name to begin online training.

## Step 5

Enter your information and create a pin.

*Your personal pin number must be at least 4 digits long and will be used for future logins.*

*The email address you enter on this form will be the address where your certificate will be sent. You may enter a supervisor's email address to have the certificate go directly to your supervisor.*

*You will also have the ability to re-print your certificate at any time if the email is lost.*
