

Submission Timeline for the 2008 National Emission Inventory

M. Husk, S. Dombrowski, U.S. EPA

- Commitment to generate the NEI in seven months following the end of the submission period.

- Well defined steps and responsibilities for data submitters and EPA.

- Major milestones for submission of emissions data and the building of the NEI

*EPA Notifies S/L/Ts of Submission Status
EPA will notify S/L/Ts of submission status with reminder that six weeks remain until the submission deadline. See Section 3.1.2, "State/Local/Tribal Submission Period."
