

Program at a Glance

- Hope all of you had a chance to attend training the previous 1.5 days
- This Plenary
- Technical Sessions (Podiums: all day Wednesday and Thursday; Posters: today through Thursday noon)
 - Podium sessions cover a wide variety of topics related to emission inventories
 - We had well over 100 abstract submissions this year---and had only about a 10% dropout rate
 - Presenters: Make sure session chairs have your most up to date presentations before session starts
 - We also have a poster program
 - Posters displayed now and will continue through Thursday at noon (authors will be at the posters during breaks). Reminder to authors that haven't put up your posters yet, please do that ASAP.
 - We have a total of about 30 posters
 - We also have vendors in the poster room, please visit their tables as well
- Final program available at: <http://envr.abtassociates.com/emission-inventory-conference/docs/finalprogram20150408.pdf>
- Thanks to all of you that have contributed to the program (training help, plenary participation, poster/paper presentations, and general attendance)

Global/International Issues

EI Preparation for Air Quality
Modeling, including Projections

Air Toxics

Agricultural Emissions

Biomass Burning

GHG Emissions, including
Methane and BC

Oil and Gas

Tools/Emerging Technologies

Mobile Sources

Emissions Data QA and Data
Analysis

Speciated Emissions Profile and
Their Use

Some Logistics

- Poster program runs from today through Thursday at noon.
 - When you get a chance, please view the posters
 - Authors will be near their posters during breaks to discuss their work
 - We will not be having an evening reception for posters this year
- We would like all attendees to fill out evaluation forms for the technical portions of our conference to help us improve in the future.
 - Evaluation forms for training should have already been filled out by attendees.
 - Evaluation forms for the technical sessions/poster program/plenary program on your chairs.
 - They will also be available at the registration desk
 - Please fill them out and return them to the registration desk before the Conference ends on Thursday.

Plenary at a glance

- Chet Wayland, OAQPS/AQAD perspectives
- Debbie Jordan, R9 perspectives
- Marc Houyoux, EIAG perspectives:
 - *“National Emissions Inventory – current and future work”*
- Tom Moore, WRAP/WESTAR perspectives:
 - *“Dimensions, Uncertainties, and Impacts of Emissions in the Western U.S”*
- Karen Magliano, ARB perspectives:
 - *“California Emissions Inventory Development: Innovation and Challenges”*
- Henry Hogo, SCAQMD perspectives
 - *“Application of Emissions Inventories in the Development of SIP Control Strategies and Reconciliation with Air Quality Measurements”*
- Kong Chiu, EPA/OAP/GHG perspectives
 - *“US Greenhouse Gas Reporting Program: Overview and Progress to Date”*
- Break (please use cards to submit questions for speakers/panelists)
- Open discussion with audience
